

How do I view the most current version of a permit?

This task card demonstrates how to view the most current version of a permit. It will show the entire history of the permit, including whether the permit has been revoked, suspended, expired or has been created as a result of a permit variation request.

Search for a permit

Log into your BICON account.

Select **Permits** from the top menu bar.

Select **Permit** from the question drop down menu.

Select **Search**.
